

JOB SHADOWING REQUIREMENTS

1. Student must be in high school or higher.
2. This is a short-term experience. Anything ongoing needs to be coordinated through the Director of Volunteer Services.
3. Access to certain areas may be restricted.
4. The student must sign and verbalize understanding of the importance of confidentiality.
5. If the student has had a PPD test within the last year, attach a copy of the results. If not, a PPD test will be needed and can be obtained from the **Health Department** or **family provider**.
6. If job shadowing between the dates of *October 1 and March 31*, proof of an influenza vaccine is required.
7. The Job Shadow Questionnaire and Confidentiality Statement must be signed and returned.
8. The COVID Informed Consent signed and returned.

When these requirements have been met, send the questionnaire, signed confidentiality statement, PPD test results, and proof of influenza vaccine, COVID Informed Consent to:
